

ALOHA REGION

Junior Try-out Policy

The Junior Development Committee of the Aloha Region (Region) has the charter to not only promote and grow the sport of volleyball, but to also look out for the well-being and development of its membership.

Participation in interscholastic sports activities promotes citizenship and sportsmanship. They instill a sense of pride in community, teach lifelong lessons of teamwork and self-discipline and facilitate the physical and emotional development of our youth. Participation in high school activities is a valuable part of the overall high school experience.

It is the responsibility of each club and coach to operate appropriately when trying to attract athletes to their programs. Clubs and coaches are reminded to respect each athlete's commitment to their high school program and each high school athlete's agreement to abide by their state athletic association rules.

To aid in maintaining our goal the Region will be adopting the following policy:

Once an athlete has participated in a regional or national qualifying/bid event, athlete transfers/releases are bound by the transfer/release rules of the Girls' Junior National Qualifier/Spring Championships/Championships or the Boys' Junior National Bid/Championships manuals. Please refer to the respective manual of the events above for further clarification.

Please note, that for a club to be eligible to participate in the Aloha Region's tournaments – age division, power tournaments, or Bid Tournament - the club must abide by the tryout and commitment dates set forth by the Aloha Region. However, abiding by the tryout and commitment dates do not guarantee entry into the event.

In the attempt to establish a level playing field for all athletes and clubs, no official tryouts should be held prior to the tryout period. Non-compliance will result in sanction for the team/club; up to and including USAV suspension commensurate with the violation.
