**The deadline to submit this form is December 8, 2024**

The tournament will be formatted where the teams (in each of the above age divisions – depending on the number teams) will be in one pool where they will have the opportunity to compete against each another, (unless more than 4 or 5 teams, then there will be an additional pool may be added).

The following matches will follow the tournament format for that division where the teams / players will compete for team trophies, individual medals and All-Star awards.
